As every flower fades and as all youth
Departs, so life at every stage,
So every virtue, so our grasp of truth,
Blooms in its day and may not last forever.
Since life may summon us at every age
Be ready, heart, for parting, new endeavor,
Be ready bravely and without remorse
To find new light that old ties cannot give.
In all beginnings dwells a magic force
For guarding us and helping us to live.

Serenely let us move to distant places
And let no sentiments of home detain us.
The cosmic Spirit seeks not to restrain us
But lifts us stage by stage to wider places.
If we accept a home of our own making,
Familiar habit makes for indolence.
We must prepare for parting and leave-taking
Or else remain the slaves of permanence.

Even the hour of our death may send
Us speeding on the fresh and newer spaces.
And life may summon us to newer races.
So be it, heart, bid farewell without end.

by Herman Hesse

In Memory of

MARY E. LUZ

"Knowledge and happiness
produce a true woman."

In Memory of

JENNIE J. ZAVADSKY

"So runs my catalogue
of lovely persons."

My dear Graduates:

A poet once wrote "Two roads diverged in a wood, and I--I took the one less traveled by ....." These words written over a half century ago are still figuratively apt--but, now, there are literally hundreds of roads, each offering a great challenge to each of you.

Already you have accepted the challenge of your high school education and you have won. Your diploma is proof of that. You undertook the work, suffered setbacks, gained rewards, endured sorrows on occasion, and rejoiced at good times. You have conquered and have completed successfully what might well be the most important segment of your life work. Now there are roads that lead to college, into the service, even into the immediate economic stress of life itself. The choice is yours.

We have sincerely tried to prepare you for any road on which you may travel. If we have failed in our task, we still have faith that your own natural abilities will enable you to bridge the gap and to overcome If we have succeeded, the results will be obvious, and we surely will be gratified and happy.

I am proud of you as the senior members of our student body. I shall be prouder of you as you become the mature and respected citizens of our city, our state, and our nation. I shall be the proudest when it becomes truly evident to all that you are wholeheartedly engaged in making this world of ours a better place in which to live for all its inhabitants of whatsoever creed, color, or origin.

I congratulate you on your graduation----and I pray that God be with you always.

Sincerely,

William A. Kelly

CHARLES CARLIN

Peabody will never forget Charlie Carlin, the Dean of North Shore high school hockey coaches. His devotion to youth has been an inspiration to all. Right up to his untimely death, Coach Carlin gave of himself to the game he loved.

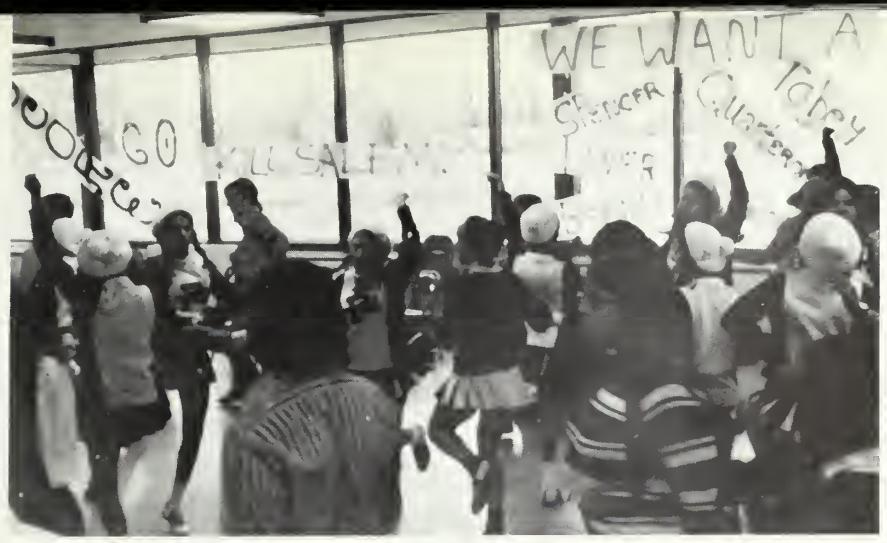
COMPLIMENTS OF A FRIEND



The 1971 Football Team did an outstanding job in their 9-game season with an 8-1-0 record, as they tied Lowell for the Northern Conference Title. Many boys were outweighed by their opponents, but their confidence and desire to win decided many important games. The defensive unit deserves recognition for the extra effort they gave to make the season very successful.

For the first time ever, the PHS Basketball Team entered the State Tech Tournament after completing a great winning season. Their final record stood at 10 wins and 2 losses, a complete reversal of last year. The team surprised many when they blasted Sommerville in their first Tournament game. Both Coach Weitzman and the boys on the team showed what can be done with spirit, hard work and the desire to win.

WELL DONE!

The Peabody High Girls' Basketball Team had an interesting season, despite its losing record. Considering the fact that the team is relatively newly formed and not yet well organized, the girls did very well. Since only two seniors will be lost to graduation, next year should be a successful one for the returning veterans.

This year, our Cross Country Team produced its finest record ever, winning six of its eight meets, and placing second in the Essex County League. A superb effort and determination by all varsity and junior varsity runners, plus the experience of Coach George Smyrnios, combined to make the season a successful one.

The 1972 Indoor Track Team went undefeated in the Greater Lynn Conference with a perfect 7-0 record. The powerful Tanners crushed six of their seven opponents by overwhelming scores. The climax of the season was a close 44-42 victory over Lynn English. Coaches George Smyrnics and Dick Makela deserve much credit for the team's success.

A track meet, like any other game, is won by a team effort. But the team is composed of individuals, each putting forth his own personal effort. When a runner loses a race, he can blame no one but himself. However, when he wins his race, he can take pride in the fact that he put forth his best effort to win.

To be a good runner demands much time. A person must be dedicated both physically and mentally to running. And most of all, his desire to win must be greater than that of his opponent.

The 1971-72 season was up and down for the PHS Hockey Team as they finished with a 9-10-1 record. The highlight was a convincing victory over the North Shore champions, Beverly, with a 6-3 score. Although this year's team was comprised of only six seniors, many talented underclassmen helped tremendously. They skated and hustled in every game.

FRONT ROW: Neil Pitchell, John Tudor, Dave Bettencourt, Jon Blodgett, Tom Donovan, Marc Kerble, Gary Linehan. STANDING: Ben Savy, Chuck Vozzella, Dana Dempsey, Mike Petrillo, Jim Gould, Gus Sharry, Doug McGuirk.

The PHS Baseball Team did not repeat as Essex County Champs, despite an impressive 11-3 record. The Tanners wound up in second place and entered the State Tournament for the second consecutive year. Their success in the past two years is a genuine tribute to their excellent coach, John Bezemes.

STANDING: Coach Lorraine Benoit, Julia Macrinotis, Laurie Nizwantowski, Rose Raymond, Linda Previte, Becky Shute. FRONT ROW: Cheryl Cronin, Mary Walsh, Paula Keating, Linda Cullen, Jill Bergen.

The Girls' Softball Team did an excellent job in their spring season, finishing in first place in their Essex County League. This was quite a feat, considering that the team was only formed last year. The girls deserve much credit for their great accomplishment.

The 1972 golf team started its season in a great fashion, winning its first four matches. But a few bad matches caused their record to read 8-6 at the conclusion of their season. The boys deserve praise for dedicating both their time and efforts in practice sessions and in the matches themselves.

The 1972 Tennis Team finished its season with a 5-5 record in the Yankee League. This was a big improvement over their record of last year. Coach Ed Donovan did a fine job of coaching a young team.

Class Motto: MAY KNOWLEDGE INCREASE

Class History

Has it really been three years since we were first herded into the gym at the old school and assigned our sophomore homerooms? At that time, today seemed a million years off; but, now, that day seems like only yesterday.

At times we were sure that we would hate high school forever. Sometimes, too, we had good reason, for sophomore year was the year for chemistry, geography, world history, or something else you were sure to hate. However, it was the year our football team was number one.

In our junior year, the reality of what we were all here for hit us; the PSAT'S, the SAT'S, and the Achievements. At the time, a 300 was as good as a 700, as long as they got finished.

Then there was the class ring controversy. Remember the arguments, and how much we hated our bull at first? the torch was okay, but that bull . . . In the end, however, we were as proud as anybody, because those rings somehow made us "big kids."

How about library passes? Everyone has his own little story dealing with the trials and tribulations involved in getting a library pass. Remember the underground party during seventh period of the last Friday of the year? Mr. Espindle just watched because he finally decided that it was time to give up.

In junior year, we also had a super baseball team. No one who was there will ever forget the eighteen-inning game, or how Mr. Welch miraculously let us out early to see a make-up game.

That was the year of the first formal for most of us. Our Junior Prom was held on a truly perfect May evening at the Rolling Green.

At last, senior year arrived. It took a few weeks, but it finally started. The new Peabody Veterans' Memorial High School was not yet complete. How did you like coming to school at a construction site?

However, we did have our own Senior Lounge, complete with food.

How can you forget jelly rolls, hot cookies, and red ice things? Then our jukebox came to make things complete. Remember the first time someone played "Colour My World" (ahh), or how you would always hear only one half of "American Pie"? Remember learning how to play kitty whist: having ten clubs and only bidding four?

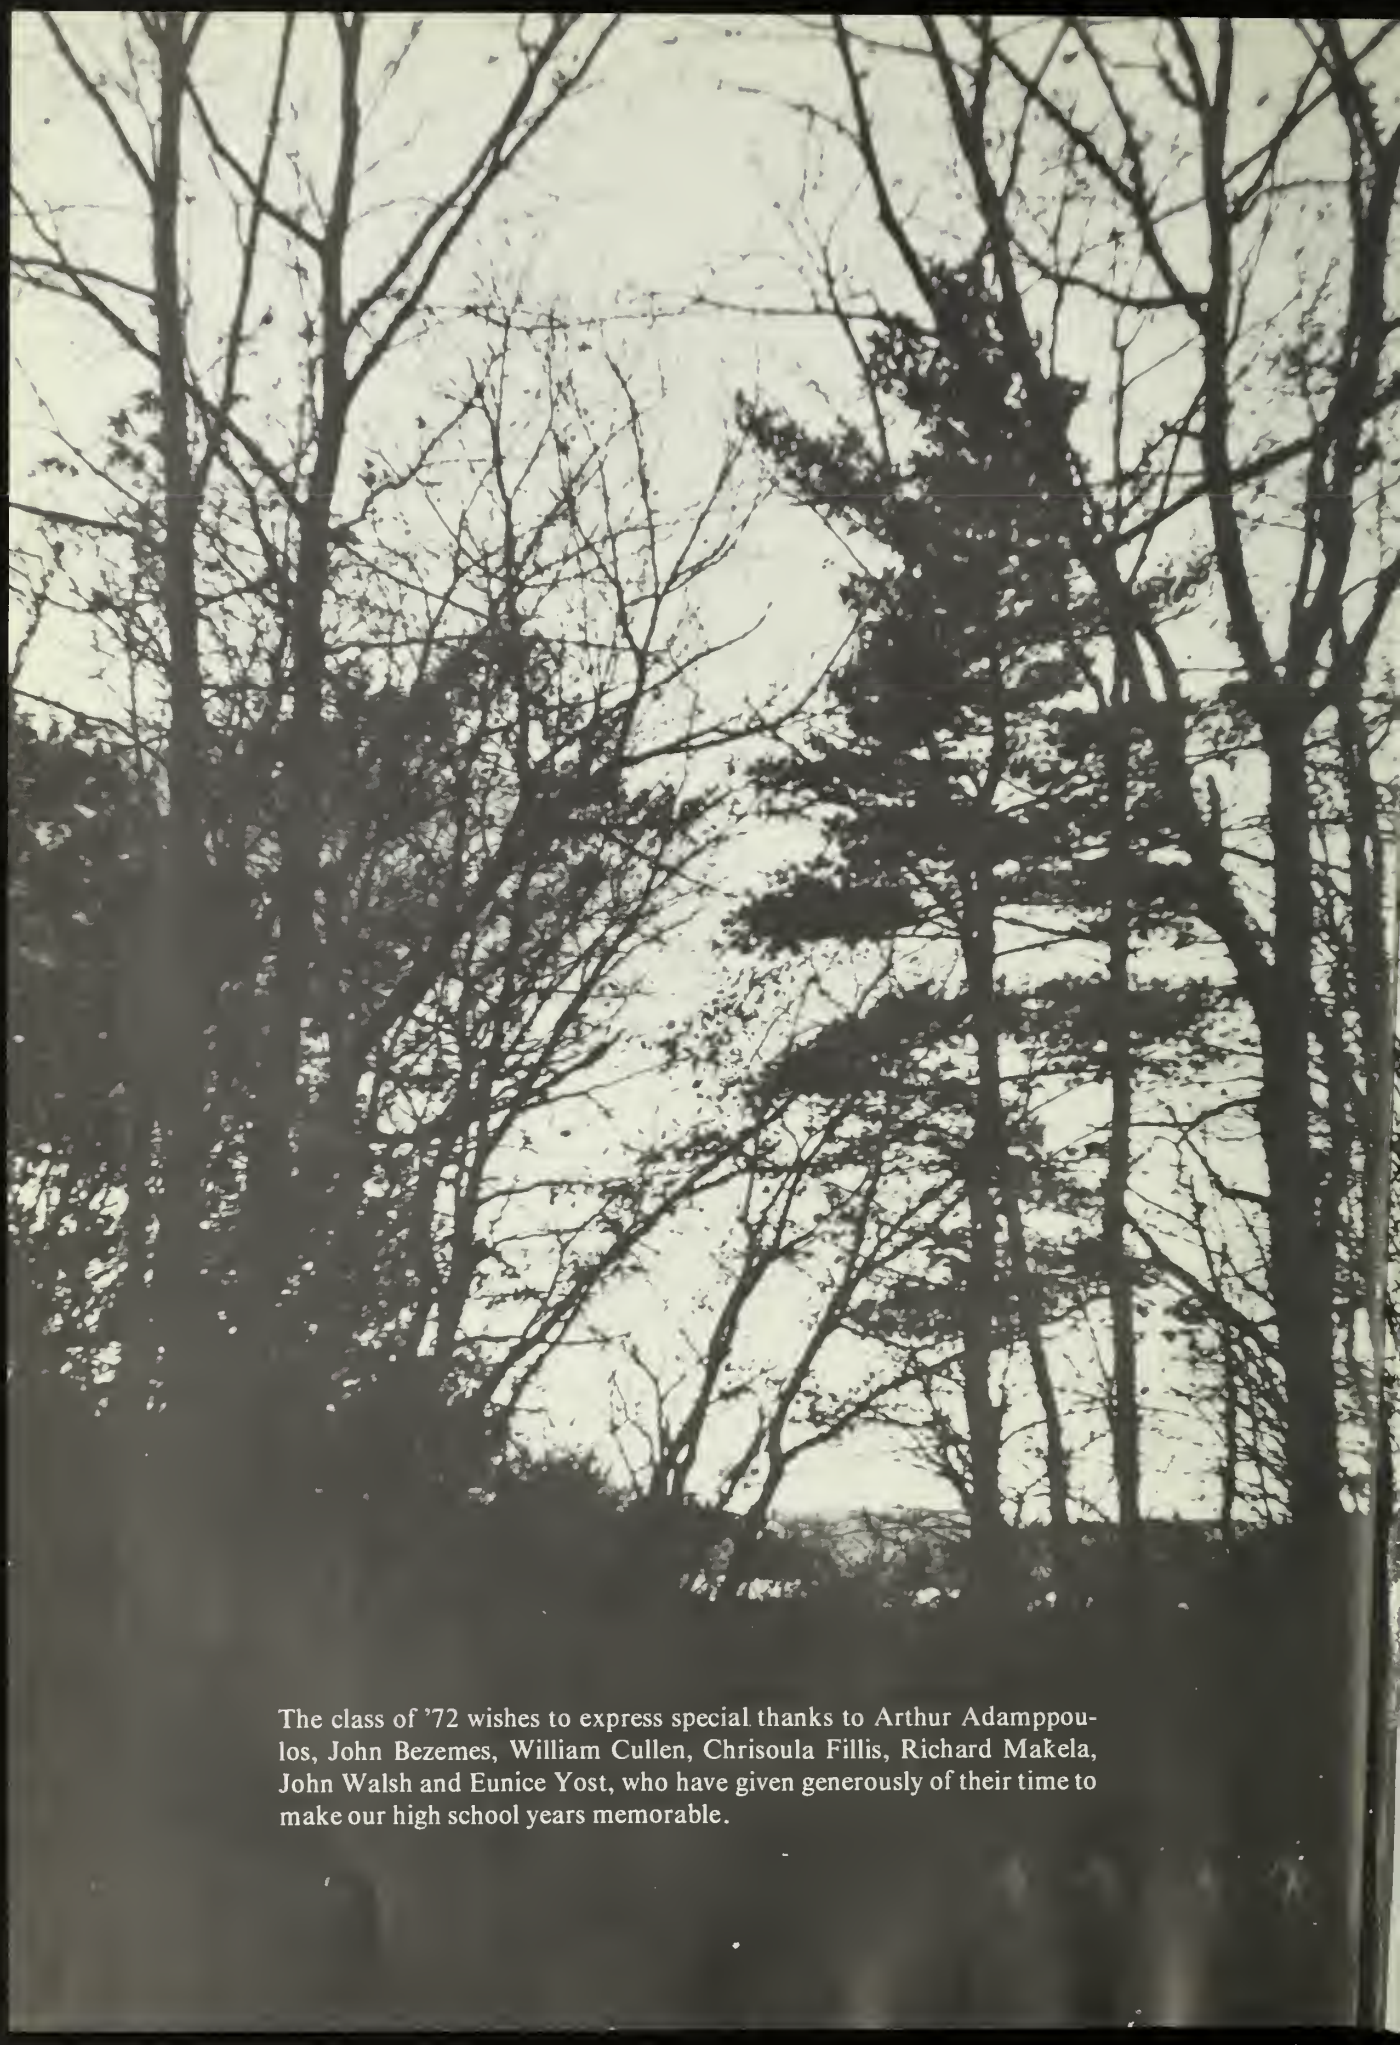
Don't forget — Tanner Trackmen were Great senior year. After all, they had an undefeated season. The basketball team also did well, and qualified for the Tech Tourney. Who can forget going to Boston Garden to watch their exciting playoff games?

Then spring came like the beginning of the end: the traditional Senior Skip Days every Friday, college acceptances, and counting the days until graduation. Hectic Senior Week arrived with the Reception at the Danversport Yacht Club, the Banquet, and finally Graduation. Those last few days were almost too much for even the strongest of us, yet we were sorry to see them end.

Now all our high school days are over. Some of the times may not have been all good, but for all of us there are memories that will stay with us forever.

"Sometimes I can laugh and cry
And I can't remember why
But I still love those good times gone by
Hold on to them close or let them go."

James Taylor



The class of '72 wishes to express special thanks to Arthur Adamppoulos, John Bezemes, William Cullen, Chrisoula Fillis, Richard Makela, John Walsh and Eunice Yost, who have given generously of their time to make our high school years memorable.
